

# 2016 Spring and Summer Circus Camps

**Run away and join the circus without leaving home!**

Students ages 7 to 13 can now flip out on the trapeze, balance work and play on the tightrope, and catch the circus bug in the juggling zone at the Center Ring Circus School's award-winning spring and summer camp programs!

Skills taught include Fabric and Static Bar Trapeze, Tightrope, Stilt Walking, Unicycling, Juggling, Rolling Globe, Clowning, and even Pies in the Face!

The development of circus skills translates into immediate life advantages: balance, hand-eye coordination, public presentation, teamwork, creativity, and how to slip on a banana peel without getting hurt. Campers are taught at their individual skill levels with safety as the highest priority. On the last afternoon of each session, they will demonstrate their new skills in a one of a kind performance for family and friends!

All sessions are **5 Days**: Monday through Friday 8:30 AM to 3:30 PM

Fee: \$275.00
